**Disclosure requirements in the annual report.** It is the thrust of the Bangko Sentral to promote greater disclosure and transparency to the public. In line with this, the Bangko Sentral recognizes the importance of the annual report in providing financial information on the bank, which will be useful to the public in understanding the true condition of the bank. This is consistent with financial consumer protection and aligned with international best practices. Accordingly, the Bangko Sentral revised the minimum disclosure requirements in the annual report of banks to ensure that proper disclosure is made on all significant matters regarding the bank, including its financial condition, performance, ownership and governance.

Consistent with the principles embodied under Sec. 132 (*Duties and responsibilities of the board of*

*directors/directors*), the board of directors shall have the overall responsibility in ensuring that the annual report of the bank fully discloses the minimum disclosure requirements as included in this Section. The board of directors may delegate its oversight function to a board-level committee which shall have oversight over the preparation of the annual report.

All banks shall prepare an annual report which shall include a discussion and/or analysis of the following minimum information in no particular order:

- a. Corporate policy;
- b. Financial summary/Financial highlights;
- c. Financial condition and results of operations;
- d. Risk management framework, including practices to mitigate and/or prevent money laundering and terrorist financing risks;

For complex banks <sup>1</sup> with various business segments, it shall also disclose the “Financial Results of Business Segments”.

The guidelines for the preparation of disclosure requirements in the annual report are provided in *Appendix 125*.

Additional disclosure requirements for UBs and KBs, as well as their subsidiary banks, are found under Part IX of *Appendix 59*. For stand-alone TBs, RBs, and Coop Banks, additional disclosure requirements are found under Part V of *Appendix 62*.

Locally incorporated subsidiary banks of foreign banks shall likewise be covered by the requirements of this Section. Branches of foreign banks are exempted from compliance with the guidelines.

The revised disclosures shall commence with annual reports for financial year 2017.

**Posting and submission of annual report.** A copy of the latest annual report shall be posted/displayed by the bank in a conspicuous place in its head office, all its branches and other offices. The annual report should also be published in the bank’s website.

Covered banks shall submit the Annual Report Assessment Checklist (ARAC) together with the annual report. The ARAC identifies the pages and sections of the annual report corresponding to the disclosures.

Banks under the concurrent jurisdiction of the Bangko Sentral and COA, however, shall submit the annual report and ARAC to the appropriate supervising department of the Bangko Sentral within 100 calendar days after receipt of the annual audit report by the board of directors.

The annual report shall be submitted in soft copy to the Bangko Sentral and shall be in Portable Document Format (PDF) as provided in *Appendix 7*.
